

6 Watt GLS LED Filament Bulb

AVAILABLE IN B22 & E27 LAMP FITTINGS.

The Lightwell Filament range of dimmable and non-dimmable bulbs are designed to combine the familiar shapes of classic incandescent bulbs with the benefits of the long lasting LED technology. Light is distributed in a full 360° angle to ensure even illumination and warm light spread as found with traditional filament technology, but at a fraction of the energy consumption.

- ✓ Perfect retrofit with high quality finish
- ✓ 360° beam angle to provide full illumination
- ✓ 2200K colour temperature for traditional warm light
- ✓ Dimmable or non-dimmable
- ✓ Available in E27, B22 fittings
- ✓ Environmentally friendly: no mercury or hazardous substances

Application

Hotels, Offices, Schools, Outdoor, Hospitals, Home and Domestic.

Code	Base	Dimensions	Beam	Lumens	Power	Equivalent	Colour	Kelvin	Dimmable
B22/FIL/6W/WWND	B22	ø60mm*110mm	360°	600	6W	60W	Warm White	2200K	Non
B22/FIL/6W/WWD	B22	ø60mm*110mm	360°	600	6W	60W	Warm White	2200K	Yes
E27/6W/FIL/WWND	E27	ø60mm*110mm	360°	600	6W	60W	Warm White	2200K	Non

PRODUCT SPEC

- Lumens: 600
- Light Colour: 2200K
- Type: Filament LED
- Average Life: 50,000 Hours
- Equivalent To: 60W
- Input Voltage: 240V
- Certification: CE, RoHS
- Dimmable: Optional
- Dimensions: Ø60x110mm
- Base: B22, E27
- Wattage: 6W
- Beam angle: 360°
