

8 Watt GLS LED Filament Bulb

AVAILABLE IN B22 & E27 LAMP FITTINGS.

The Lightwell Filament range of bulbs are designed to combine the familiar shapes of classic incandescent bulbs with the benefits of the long lasting LED technology. Light is distributed in a full 360° angle to ensure even illumination and warm light spread as found with traditional filament technology, but at a fraction of the energy consumption.

- ✓ Perfect retrofit with high quality finish
- ✓ 360° beam angle to provide full illumination
- ✓ 2700K colour temperature for traditional warm light
- ✓ Dimmable
- ✓ Available in E27, B22 fittings
- ✓ Environmentally friendly: no mercury or hazardous substances

Application

Hotels, Offices, Schools, Outdoor, Hospitals, Home and Domestic.

Code	Base	Dimensions	Beam	Lumens	Power	Equivalent	Colour	Kelvin	Dimmable
B22/FIL/8W/2700	B22	ø60mm*110mm	360°	800	8W	80W	Warm White	2700K	Yes
E27/8W/FIL/2700	E27	ø60mm*110mm	360°	800	8W	80W	Warm White	2700K	Yes

PRODUCT SPEC

- Lumens: 800
- Light Colour: 2700K
- Type: Filament LED
- Average Life: 50,000 Hours
- Equivalent To: 80W
- Input Voltage: 240V
- Certification: CE, RoHS
- Dimmable: Yes
- Dimensions: Ø60x110mm
- Base: B22, E27
- Wattage: 8W
- Beam angle: 360°
