

2W G9 LED BULB

G9-2W-4LED

This dimmable 2W G9 LED filament capsule bulb has 4 linear, cool-running COB (chips-on-board) LEDs with an output of 220 lumens. As a direct replacement for a halogen G9 lamp, it benefits from long lasting LED technology and high energy efficiency. G9 bulbs are ideal used in desk lighting, accent lighting, and under-cabinet lighting. They also fit numerous outdoor applications such as step lights, deck lights, driveway lights, path lights, gazebo lights, or any outdoor fixtures with a weatherproof housing.
